

Killearn Kirk creche rota September - December 2010.

Thank you for helping in the creche. Please could you arrive at about 10:20am to get the toys out of the store room (at the far end), ready for parents to leave their children in Hall 3 before the service. Sometimes parents bring children out part way through the service as well.

Here is the next rota. If you cannot manage one of your dates, please try to swap with someone else. If there is a problem, please let me know.
